COTTAGES

Stone Built, slate roofed, self catering cottages. Imagine being at home with a country pub in your back garden! Set in Tewitfield "hamlet" with its own marina, gardens and childrens play area under development, the cottages sit next to the Lancaster Canal and Greenlands, Farm Centre with its own crafts, cafe, bakery and butcher's shop (2009).

Each cottage has been individually furnished with help from our most tasteful friends, so they are all brimming with character.

They are comfortably contemporary with a country twist and all have:

- Vi-spring or pillow topped beds.
- Flat screen televisions with freeview stations and radio.
- Brooklyn oak furniture.
- Leather sofa beds & co-ordinating chairs piled with comfortable cushions.
- Fully equipped kitchen with dishwasher, electric hob, oven, microwave and washing machine.
- Central Heating.
- Bathrooms with bathtime treats and underfloor heating.
- Lots of fluffy white towels.
- Big thick duvets, bouncy pillows & soft sheets
- A neat & tidy garden area.
- Their very own parking space.
